

Tender No. 26/2014

EARTHWORKS AT ROAD 2 & 3 IN DUQM

Brief description of Works:

This Project is located in the Governorate of Duqm of the Al Wusta Region. The Client plans to develop two (2) pieces of land: one within the Tourism Zone and another in the Airport Zone. The surface topography of the two lands is undulating and is to be graded.

Grading Site No. 1 is located within the Tourism Zone of the Special Economic Zone in Duqm and is approximately 48 ha in size. It is situated next to the Frontier Town housing development to the north and Road No. 3 to the east. Grading Site No. 2 is about 100 ha in size and is located in the Airport Zone.

The existing surface topography of both grading sites is undulating with isolated limestone outcrops and intervening with wadis in between. The two sites are to be graded to a final surface of subgrade formation as per road construction standard under the Standard Specifications for Road and Bridge Construction. The amount of excavation is estimated at 0.8 million cubic metres.

The Project shall include, but not limited to, the following works:

- (a) Setting up of temporary site administrative facilities
- (b) Mobilization and demobilization of plant and equipment
- (c) Setting out of site
- (d) Topographic surveys
- (e) Provision of warning signs, project sign boards
- (f) Clearing and Grubbing
- (g) Protection and relocation of utilities
- (h) Excavation, filling and compaction
- (i) Working and As-built drawings
- (j) Site clearance upon completion
